

DNP Student Accomplishments 2011-2015

National and Regional Presentations Related to Capstone Projects:

Barbato, Kristi: Poster Presentation *Web-Based Treatment for Women With Stress Urinary Incontinence* at 17th Annual Nurse Practitioner in Women's Health Conference, October 15-18, 2014 in Savannah, Georgia.

Bock, Lorraine: *Implementation of a Caregiver Support Program Using Interactive Video and Asynchronous Computer Technology – A Pilot Study.* Podium breakout session at the Seventh National Doctors of Nursing Practice Conference, October 2014, Nashville, TN.

Borza, John *Reducing Intravenous Narcotic Documentation Errors on the Electronic Anesthesia Record* was accepted by the American Association of Nurse Anesthetists (AANA) for the Nurse Anesthesia National Congress Poster Session in Orlando, September 13-16, 2014.

Borza, John: *Reducing Intravenous Narcotic Documentation Errors on the Anesthesia Record.* Poster at the Pennsylvania Association of Nurse Anesthetists Spring Symposium in Hershey, PA, May 1-4, 2014.

Borza, John: *Reducing Intravenous Narcotic Documentation Errors on the Anesthesia Record.* Poster The Safar Symposium Multi-Departmental Trainees' Research Day, May 21, 2014. Pittsburgh, PA

Borza, J., Kaufman, J., & Cline, T. W. (2015). Reducing Intravenous Narcotic Documentations Errors on the Electronic Anesthesia Record: A Quality Improvement Project. *Anesthesia eJournal*, 3(2), ISSN 2333-2611.

Bowman, Jennifer: Poster Presentation *Determining the Key Sources of Information in the Maternal Decision Making Process Which Impacts Their Decision to Either Continue or Discontinue Pharmacological Treatment for Anxiety and/or Depression During Pregnancy.* at the National Association of Nurse Practitioners in Women's Health 17th Annual Conference, October 15-18, 2014 in Savannah, Georgia.

Bowman, J.A, Hellier, S.D. & Cline, T.W. (2014). Sources Impacting Pharmacological Treatment for Anxiety and/or Depression During Pregnancy. *The Journal of Nurse Practitioners*, 11(2), 184-191

Bowman, J.A, Hellier, S.D. & Cline, T.W. Sources Impacting Pharmacological Treatment for Anxiety and/or Depression During Pregnancy. Poster presented at: 17th Annual NPWH Premier Women's Healthcare Conference; 2014 Oct 15-18; Savannah, GA

Bowman, J. Guest lectured at Robert Morris University on Prescribing Psychotropic Medications during Pregnancy and Lactation to DNP students for Dr. Kirstyn Kameg. January 29, 2015; Moon Township, PA

Nguyen, L., Marshalek, P. J., Weaver, **Cramer, C. B.**, K. J., Pollard, S. E., & Matsumoto, R. R. (2015). Off-label use of transmucosal ketamine as a rapid-acting antidepressant: a retrospective chart review, *Neuropsychiatric Disease & Treatment*, 11, 2667–2673.

Crete, Joan: *Diagnosis of Gestational Diabetes Mellitus: Can we avoid the glucose challenge test?* American College of Obstetricians and Gynecologists May 2011 (Poster).

Forest, Sabrina: *"Is Telehealth Effective: A treatment control study,"* was accepted as a poster presentation at the American Telemedicine Association International Conference in San Jose, CA, April, 2012.

Gervin, Coretta: *Comparing patient flow with mid-level providers initiating treatment in triage versus traditional emergency department care.* 2011 National DNP Conference, New Orleans.

Gill, Lisa: *"The Effect of a Music Intervention on Fall Rates in a Dementia Unit,"* on September 20, 2012, at the Gerontological Advanced Practice Nurses Association 31st Annual Conference in Las Vegas, Nevada.

Halloran, Linda: Poster at AANP conference Flagstaff AZ, July 2014.

Halloran, Linda: Capstone presentation to the medical and nursing staff on the San Carlos reservation in June 2014 and at the Winslow Health care clinic, AZ in July, 2014.

Hamid, Farhana: *Providers' acceptance factors and their perceived barriers to electronic health record adoption"* Presentation at the during the 141st APHA Annual Meeting, 2013, Boston, MA .

Harcar, Crystle Abstract *"Determining the Current Screening and Treatment Practices for Bacterial Vaginosis in the Antepartum Patient"* accepted for a poster presentation at the Academy of Women's Health Conference in Washington DC in April, 2014.

Hernon, Michaele: *An Educational Program, Using Simulation Based Training and Power Point, to Improve the Emergency Department Nurses' Knowledge of Evidence Collection Involving Sexual Assault Victims.* Podium presentation at the International Association of Forensic Nursing Scientific Assembly in October 2011 - Montreal Canada.

Keeley, Jennifer: *Appropriate Use Criteria and SPECT MPI: An Epidemiological Retrospective Review in a Community-Based Hospital,* has been selected for a poster presentation at the University of Pittsburgh Medical Center Clinical Research Forum at St. Margaret's Hospital, 2011.

Keeley, Jennifer: *Appropriate Use Criteria for SPECT myocardial perfusion imaging: An Epidemiological Retrospective Review in a Community-Based Hospital.* 2011 National DNP Conference, New Orleans.

Lackraj, Devanand: *Implementing a Culturally Sensitive Lifestyle Educational Program on Nutrition and Physical Activity for Black Caribbean Immigrants.* Poster at the Seventh National Doctors of Nursing Practice Conference, October 8, 9 and 10, 2014 at the Marriott Airport, Nashville, TN.

Lackraj, Devanand: *Implementing a Culturally Sensitive Lifestyle Educational Program on Nutrition and Physical Activity for Black Caribbean Immigrants* Poster Presentation at the North Shore Long Island Jewish Health System Annual Nursing Research Conference on April 30th, 2014 at the North Hills Country Club. This poster won third place!

Loree Elahee-Lee: *Nurse Practitioner Job Satisfaction in Retail Health.* American Academy of Nurse Practitioners Annual Conference, Las Vegas June 2013

Mainolfi, L. A. The impact of treatment intensity in persons with serious mental illness with and without substance use disorder on criminal recidivism posterpresentation by *Lynn Ann Mainolfi, DNP, PMHNP-*

BC to be presented December 2015 at the U.S. Psychiatric and Medical Congress Conference, San Diego, CA.

Marek, Michael Article: Implementing the Use of a Brief Cognitive Assessment on Individuals Diagnosed with Schizophrenia in an Acute Psychiatric Facility, Journal: Archives of Psychiatric Nursing, DOI: 10.1016/j.apnu.2015.08.016

Meyer, Patricia and Karen Weimer: “Does Having a Unit-Based Nurse Practitioner Increase Nurses’ Level of Satisfaction with Patient Care Delivery?” Presentation at the UPMC St. Margaret 9th Annual Clinical Research Forum on Friday, May 23, 2014.

Migaud, Peggy: *Does the DNP change clinical practice?* 2011 National DNP Conference, New Orleans.

Murray, Rosemary: Poster *Evaluation: Reduction of Length of Stay by NPs on Acute Care Units* at The New York Nurse Practitioner Association’s 30th Annual Conference at the Saratoga Hilton, Saratoga Springs, NY, October 24-25, 2014.

Narr, Marissa: *Factors Associated with Improved Outcome after Stoma Closure in Infants with Necrotizing Enterocolitis* 23rd Annual APSNA Scientific Conference, May 26-29, 2014, in Phoenix, AZ.

Nellis, Deb. *Assessing the Use of a Medical Malpractice Self Study Module for Advanced Practice Nurses* – Twenty-ninth Annual International Technology Conference (organized by Rutgers University School of Nursing) – June 24 – 26, 2011 at the Hyatt Regency Cambridge Hotel, Cambridge, Massachusetts.

Nellis, Deb. *Assessing the use of a medical malpractice self-study module for advanced practice nurses.* 2011 National DNP Conference, New Orleans.

Pandy, Leslie Article title: The Role of the Nurse Practitioner and Asymptomatic Urinary Treatments Article reference: TJNP2392 Journal title: The Journal for Nurse Practitioners Corresponding author: Dr. Leslie E. Morrison-Pandy First author: Dr. Leslie E. Morrison-Pandy Final version published online: 29-SEP-2015 Full bibliographic details: The Journal for Nurse Practitioners 11 (2015), pp. 903-906 DOI information: 10.1016/j.nurpra.2015.06.008

Pasek, Tracy: poster presentation: “*The Development of an Electronic Headache Pain Diary for Children who Experience Headache as a Symptom of Concussion*” for the CNS Leading Innovations for Health Care Change National Association of Clinical Nurse Specialists Annual Conference. San Antonio, TX, March 7-9, 2013

Pasek, Tracy Ann: “*The Development of an Electronic Headache Pain Diary for Children who Experience Headache as a Symptom of Concussion*” Presentation at the Virtual PICU Nursing Science meeting April 24, 2014

Pasek, Tracy and Locasto, Lisa: *Head Electronic Diary for Children with Concussion (HED-CC).* Poster at Sports Neuropsychology Concussion Symposium 2014: A Multidisciplinary Integration of Science and Practice, April 25-26, 2014 Dallas, Texas.

Phillips, Gayle: *Pregnancy Outcome Related to Maternal Mycoplasma Genitalium, Mycoplasma Hominis and Ureaplasma Species.* Poster presented at the American Academy of Nurse Practitioner Conference June, 2014 Nashville, TN

Pron, Ann: “*Job Satisfaction and Perceived Autonomy of Nurse Practitioners Who Work in Nurse-Managed Health Centers*” at National Nursing Centers Consortium 2011 Conference on March 16, 2011 in San Antonio.

Scanlon, Erin: *Patient and Hospital Based Risk Factors and the Occurrence of Venous Thromboembolic Events Following Total Hip or Knee Replacement: A Correlational Study* - 2012 PACNP conference – poster presentation

Shannon, Mary & Navaroli, Latroy presented at the National WOCN Conference in Charlotte, NC. The research project which was funded by 3M corporation through the WOCN, and was entitled "*Patient behavior that leads to recurrent venous leg ulcers: a follow up to patient education*". 2011

Simonetti, Joseph: *Effect of triage initiated x-rays of limb injuries and subsequent effects in providing efficient healthcare delivery as it relates to patient satisfaction and length of stay in a suburban emergency department.* 2011 National DNP Conference, New Orleans.

Soles, Sara: *Patient Education on Congestive Heart Failure.* (Funded through the Jewish Healthcare Foundation’s Alvin J. Rogal Research Award in Safety and Quality Improvement), 2012 National DNP Conference

Spenser, Belinda: *Using Evidence-Based Practice to Develop and Implement Nursing Simulation to Reduce Medication Events on a Medical -Telemetry unit;* podium presentation at the 2013 Pacific Institute of Nursing Conference in Honolulu, HI.

Spino, Erika: *Impact of Social Support on Symptoms of Depression and Loneliness in Survivors of Suicide.* Poster Presentation at the Seventh National Doctors of Nursing Practice Conference, October 8, 9 and 10, 2014 at the Marriott Airport, Nashville, TN.

Szoke, Ann Marie: *The Effects of Antiplatelet Agents on Mild Traumatic Brain Injured Patients: A Comparative Study Assessing Neurologic Deterioration and Patient Based Outcome.* American Academy of Nurse Practitioners Annual Conference in Nashville Tennessee, June, 2014.

Walker, Michelle: *Cost comparison of treating uninsured patients at a hospital based free clinic, emergency room, and inpatient hospitalizations: a retrospective chart review.* 2011 National DNP Conference, New Orleans.

Weisman, Audrey: *Poster Trial of Integrative Imagery to Reduce Pain and Anxiety In Adult Hematologic Patients Undergoing Bone Marrow Aspiration and Biopsy* at The New York Nurse Practitioner Association’s 30th Annual Conference at the Saratoga Hilton, Saratoga Springs, NY, October 24-25, 2014.

White-Heisel, Regina: Poster presentation Safe Handling and Movement Conference, Orlando, Florida, March 2013

Grants for Capstone Projects:

Bugaj, Karen. Research scholarship from the Nu Theta chapter of Sigma Theta Tau International.

Burka, Stacy. Alvin Rogal Research Award in Safety and Quality Improvement. \$10,000 – Jewish Healthcare Foundation.

Chiplonia, Gina \$5,000 research scholarship from AANA. Gina was honored at the AANA national conference in Boston on 8/8/2011.

Chiplonia, Gina. Alvin Rogal Research Award in Safety and Quality Improvement. \$10,000 – Jewish Healthcare Foundation.

Ferrara, Gineen: "Evaluation of physicians' and RNs' knowledge, attitudes , and compliance with the implementation of family presence during resuscitation in an ER department after educational intervention" Alvin Rogal Research Award in Safety and Quality Improvement \$10,000 – Jewish Healthcare Foundation, June 2014

Gill, Lisa. Alvin Rogal Research Award in Safety and Quality Improvement. \$10,000 – Jewish Healthcare Foundation.

Karzenowski, Abby: "Noise levels: the effects on physical and mental health and strategies to decrease noise in a skilled nursing facility" Alvin Rogal Research Award in Safety and Quality Improvement \$10,000 – Jewish Healthcare Foundation, June 2014

Linden, Kiley: "Predicting the risk of readmission within 30 days in adult patients: a comparison of two readmission risk assessment tools" Alvin Rogal Research Award in Safety and Quality Improvement. \$10,000 – Jewish Healthcare Foundation, June 2014

Paptham, Pam: ACS Graduate Scholarship in Cancer Nursing Practice - funding for Capstone Project, *Nonmyeloablative Hemopoietic Cell Transplantation*. Only 18 researchers in the U.S. each year receive these awards and 44 of the past recipients have been Nobel Prize winners later in their careers.

Roche, Susan: 2011 Greater Pittsburgh Nursing Research Consortium, \$1,000 for Capstone Project: Nursing educational program on the structural oncologic emergencies utilizing high fidelity simulation.

Scanlon, Erin. Alvin Rogal Research Award in Safety and Quality Improvement. \$10,000 – Jewish Healthcare Foundation.

Sebbens, Danielle: CDHNF/APGNN M. SUSAN MOYER NURSING RESEARCH AWARD to extend her Capstone work in reducing line sepsis in children with short gut syndrome who are discharged to home. The research is funded for \$25,000 and her post doctoral project period was one year 2010-2011.

Smith, Heather : Risk factors for facility-associated C. Difficile infections: a hospital based case-control study. Alvin Rogal Research Award in Safety and Quality Improvement.\$10,000 – Jewish Healthcare Foundation, June 2014

Soles, Sara. Alvin Rogal Research Award in Safety and Quality Improvement. \$10,000 – Jewish Healthcare Foundation.

Wagner, Hannah: "Predicting likelihood of opioid addiction: using evaluative tools to identify population differences" Alvin Rogal Research Award in Safety and Quality Improvement. \$10,000 – Jewish Healthcare Foundation, June 2014

Publications:

Barbato, Kristi: *Web-Based Treatment for Women With Stress Urinary Incontinence* accepted in Urologic Nursing, 2014
